

## RISK ASSESSMENT OF PHD STUDENTS REGARDING ADMISSION TO AAU

<b>INFORMATION ABOUT AAU SUPERVISOR ETC.</b>	
<b>AAU Department</b>	<i>Department of Mechanical and Manufacturing Engineering</i>
<b>Main supervisor at AAU</b>	<i>Yang Cheng</i>
<b>Funding of project</b>	<i>Self-funded</i>

<b>INFORMATION ABOUT THE CANDIDATE</b>	
<b>Candidate's name &amp; age</b>	<i>Name: xx Age:28</i>
<b>Candidate's background</b>	<i>The candidate has the background mainly in Economics.</i>
<b>MSc degree from [university] / year [graduation]</b>	<i>Jilin University/2017</i>
<b>BSc degree from [university] / year [graduation]</b>	<i>Northeast Forestry University/2015</i>
<b>Title/subject of MSc degree/academic field</b>	<i>Master of Economics</i>
<b>Number of publications</b>	<i>0</i>

<b>SUPERVISOR/PROFESSOR IN THEIR HOME COUNTRY (qualifying exam)</b>	
<b>Name &amp; affiliation</b>	<i>Dr. zz/Jilin University</i>
<b>Background</b>	<i>The professor has the background mainly in Economics and sociology.</i>
<b>Previous collaboration(s) etc. (between AAU and supervisor)</b>	<i>No</i>

TITEL

<b>UNIVERSITY (qualifying exam)</b>	
<b>What do the "lists" say?</b>	To be filled out by AAU PhD.
<b>Department, research programme etc.</b>	<i>Department of population, resources, and environmental economics.  Master thesis: "impact of population age structure on consumption: evidence from the Northeast area in China"</i>
<b>Previous collaboration(s) etc. (between AAU and university)</b>	<i>Jilin University and Aalborg University (Medical College) have some collaborations.</i>

<b>THE PHD PROJECT/FIELD OF RESEARCH</b>	
<b>Project title</b>	<i>Threats to international operations management of multinational enterprises (MNEs): from the perspective of political risk at the firm level</i>
<b>Who defined the project?</b>	<i>The main supervisor and the candidate</i>
<b>Description of central research</b>	<i>The central research aims to provide MNEs with a better understanding of different types of political risks faced by MNEs in global operations and a holistic approach to deal with political risk in international operations, including political risk assessment and risk management.</i>
<b>Description of primary use</b>	<i>For academic research</i>
<b>External collaborators?</b>	<i>No</i>
<b>State who</b>	
<b>How does the project/candidate fit the department's research strategy?</b>	<i>The project is essentially about risk management in global operations/production/supply chain, which is a hot topic in the fields of operations and production management.</i>

**CRITICAL APPLICATION POSSIBILITIES**

TITEL

<p><b>Is the research/subject field on the dual use lists?</b></p> <p>(Elaborate regardless – yes/no will not be approved)</p>	<p><i>This research mainly focuses on the field of operations management, which is not mentioned in the dual use lists.</i></p>
<p><b>Other critical circumstances (catch-all clause)?</b></p> <p><b>Is there any potential military use?</b></p> <p><b>Suspicious circumstances, collaborators etc.?</b></p>	<p><i>This research aims to develop methods to assess and manage risks faced by MNEs in international operations, so it does not involve advanced technology and mechanical equipment and there is not any potential military use. Our research is just used by scholars and managers and we do not have other external collaborators.</i></p>
<p><b>Considerations regarding potential ethical issues</b></p>	<p><i>This research does not have potential ethical issues because it does not involve experiments with animals or human volunteers.</i></p>
<p><b>Additional remarks/comments</b></p>	<p><i>We do not have any additional remarks.</i></p>
